Employment History

Front-End Developer at FluxDevs, Remote

August 2024 - Present

As a Front-End Developer at FluxDevs, I am responsible for creating and maintaining visually appealing, responsive, and user-friendly websites using a range of technologies such as React, JavaScript, Git, jQuery, CSS, Tailwind, and Next.js. I collaborate with cross-functional teams to gather requirements and implement solutions that enhance the user experience across different devices and browsers.

- . Develop and implement dynamic and interactive web interfaces to improve user engagement and experience.
- . Utilize version control systems like Git for efficient management and collaboration.
- . Implement modern web development tools and libraries to enhance productivity and maintainability.
- . Optimize website performance and loading speed through efficient coding practices.

Inventory Manager at Ciona Suites, Port Harcourt

August 2022 - September 2022

- . Identified and reported inventory discrepancies, resulting in improved inventory management
- . Monitored inventory levels to ensure product availability and accuracy of inventory records
- . Managed inventory levels to ensure availability of products while minimizing stock-outs and excess inventory

Teacher at First Class Kids, Port Harcourt

September 2019 - July 2020

- . Used technology in the classroom to improve student engagement and learning outcomes
- . Collaborated with colleagues to develop and implement new approaches to teaching that improved student performance
- . Recognized and responded to students' needs and learning styles
- . Developed classroom rules and expectations that fostered a respectful and safe learning environment

Education

BSc Pharmacology and Toxicology, University of Calabar, Calabar

September 2020 - July 2025

West African Senior School Certificate, Shalom College, Port Harcourt

September 2016 - August 2018

- . Best graduating student of 2018
- . Assistant Head Prefect

Courses

Certificate, Diabetes Awareness (Global Health Initiative), Alison

August 2022 - November 2022

Internships

Student Pharmacist Intern at Royal Blue Pharmacy, Calabar

May 2024 - Present

- . Prepared packaging and labels for prescriptions, verifying accuracy of dosage, side effects, interactions, and refill instructions

- . Used pharmacy software to enter prescription catalogue and information
- . Counseled patients on new medications and OTC products
- . Evaluated patients' histories to assess medical compliance
- . Educated patients on possible drug interactions, potential side effects and optimal method of administration
